

**Outside is
fun again.**

Join the Mosquito Joe team! Mosquito Joe of Tri-Cities provides services to make outside fun again for our customers. We provide mosquito control services to residential and commercial customers, repelling and killing outdoor pests such as mosquitoes, ticks, and fleas. Our technicians are trained (full training provided) mosquito control experts who travel to customer's homes using company vehicles to apply barrier spray solutions that keep their yard mosquito-free.

The Mosquito Joe Technician job is a part-time or full-time seasonal position taking place during the active mosquito spray season, typically from May - Mid-October. The number of hours worked per week varies by the technician depending on preference and availability.

Technicians spray customers' property according to the Mosquito Joe policies and procedures. They are knowledgeable of all Mosquito Joe services and policies and fully communicate to customers the expectations, procedures, and tips applicable to the service being provided.
