Community Members,

At the Elburn Lions Club, we take every precaution to ensure that our fundraisers are a safe and healthy environment. Due to the global impact of COVID-19 and keeping in line with the federal/state guidelines of caution, we have had to make the difficult decision to postpone the Pat Hill Benefit.

Please be patient with us as we are working with swift and precautionary measures to ensure that Pat gets the fundraiser she so deserves. Be on the lookout for updates and what we are hoping will be a virtual fundraiser. Stay tuned....

Elburn Lions. We serve. We support. One fundraiser at a time.

Best,
Lions Pam Hall and Dory Stipetic
